

Boscastle Framework Plan - Community Questionnaire

1. Are you: Male Female
- Aged: Under 10 11-16 17-25 26-40
41-55 56-65 66-75 76+
2. Are you a permanent resident in this parish? Yes No

3. **Boscastle 2015**

The flood has provided an opportunity to change aspects of Boscastle and there are major works in preparation to rebuild parts of the village which will have an impact on its future.

How do you see Boscastle in ten years' time?

4. **Car Parking**

The car park needs to be rebuilt. What are your views on car parking?

- | | Yes | No |
|---|--------------------------|--------------------------|
| A: Reinstatement of the car park as it was prior to the flood | <input type="checkbox"/> | <input type="checkbox"/> |
| B: Relocate car park slightly further up the valley and create a space for environmental improvements near the current entrance | <input type="checkbox"/> | <input type="checkbox"/> |
| C: Provide some parking elsewhere in Boscastle to either partly replace or act as an overspill car park | <input type="checkbox"/> | <input type="checkbox"/> |

Do you have any comments to make about car parking?

5. **Visitor Centre**

What are your views on options for redeveloping the Visitor Centre?

- | | Yes | No |
|---|--------------------------|--------------------------|
| A: Provide a new building within the general vicinity of the car park | <input type="checkbox"/> | <input type="checkbox"/> |
| B: Re-use an existing building in the the car park/harbour area | <input type="checkbox"/> | <input type="checkbox"/> |

Do you have any comments to make about redeveloping the Visitor Centre?

6. **Public Toilets**

What are your views on provision of public conveniences in the village area?

7. **The Harbour**

Public access to the harbour will be reinstated and it may be possible to include improvements to the environment and setting of the harbour.

Do you have any views on improvements that could be made in the harbour area?

8. **The Public Highway**

Improved pedestrian access, provision of bus stops and street lighting, and a review of on-street parking and traffic management may be possible. What are your views?

	Yes	No
A: Widen pavements	<input type="checkbox"/>	<input type="checkbox"/>
B: Reduce or eliminate on-street parking	<input type="checkbox"/>	<input type="checkbox"/>
C: Improve bus stop facilities	<input type="checkbox"/>	<input type="checkbox"/>
D: Improve the type of street lighting used	<input type="checkbox"/>	<input type="checkbox"/>
E: Review the options for traffic management	<input type="checkbox"/>	<input type="checkbox"/>

Do you have any thoughts on improvements that could be made to the pavements, roads or public areas?

9. **Public Open Spaces & Public Areas**

The rebuilding works provide the opportunity to introduce improvements to the look of the public areas of Boscastle, particularly in the harbour area. Are there any aspects of the public areas that you think need improving?

	Yes	No
A: Improve the appearance of public areas e.g. types of materials used	<input type="checkbox"/>	<input type="checkbox"/>
B: Review style and number of signs / advertising boards	<input type="checkbox"/>	<input type="checkbox"/>
C: Provide co-ordinated street furniture e.g. litter bins, lamp posts	<input type="checkbox"/>	<input type="checkbox"/>
D: Provide picnic and seating areas	<input type="checkbox"/>	<input type="checkbox"/>
E: Investigate the possibility of providing a 'village green'	<input type="checkbox"/>	<input type="checkbox"/>

Do you have any ideas for improvements to public areas?

10. **Flood Risk Management**

The best possible measures must be used in reinstating infrastructure to minimise any flood risk in future. Options could include reviewing the route of the Valency River by the car park and the way the water is guided through the road and harbour area.

Do you have any comments on aspects of flood risk management that need to be considered?

11. **The Historic Environment**

Boscastle is an historic settlement and its historic buildings, harbour and the natural environment are important attractions for local residents and visitors.

Are there any improvements that could be made to the historic buildings and environment?

12. **Sewage Treatment Works**

A site for a new sewage treatment works must be found.

Do you have any views on where it could be located in the Boscastle area and what aspect of sewage treatment concerns you most?

13. **Business Support, Marketing and Promotion**

Are there any business support, marketing or promotion activities that you feel would help to support the businesses in Boscastle and the surrounding area?

Do you think it would be a good idea to hold community events to mark the rebuilding of Boscastle and to publicise progress to potential visitors?

Yes No

Do you have any ideas for events and when they should be held?

14. **Community Facilities**

Although not directly affected by the flood, there may be issues about the provision of community facilities such as sports and recreation facilities; activities in the harbour; radio / mobile telephone reception; facilities for children and young people etc.

Do you have any ideas for improvement or provision of community facilities?

15. **Consultation**

This is the first of a series of consultations that will take place on the reconstruction of Boscastle. What form of consultation do you prefer? (please tick preferred option(s))

	Yes	No
A: Information leaflets with questionnaires for returning your views	<input type="checkbox"/>	<input type="checkbox"/>
B: Public meetings	<input type="checkbox"/>	<input type="checkbox"/>
C: Exhibitions	<input type="checkbox"/>	<input type="checkbox"/>
D: Internet	<input type="checkbox"/>	<input type="checkbox"/>
E: Other (please specify)	<input type="checkbox"/>	<input type="checkbox"/>

16. **Priorities**

Please can you list your top three priorities for the regeneration of Boscastle in order of importance

- 1.
- 2.
- 3.

17. **Other Issues**

The questions have focused on the harbour area, but other parts of Boscastle were also affected by the flood. You may wish to submit further ideas for the harbour area or for other parts of Boscastle.
