**03.07 Matters to Report:**

Cllr ferret reported that the property 'Lewarne' in New Road Boscastle has had part of the roof replaced and the chimney removed, without, it is believed, any planning applications. It was proposed by Cllr Jarvis that the Council write to the planning department and conservation officer to bring this to their attention and reinforce the Parish Council obligation to ensure all property modifications use the appropriate planning processes. Seconded by Cllr Findlay. All in Favour. **Resolved**

**03.08 Items from previous meeting**

Camelford Leisure Centre – Cllr Brewer attended the recent Community network meeting and reported that many local area parish representatives are concerned about the proposed financial support from Local Parish Councils. Many thought local projects could benefit more of their parishioners. More information will be issued in due course.

Flood Response Plan – Cllr Findlay reported no further developments
