A member of the public raised concerns that the toilets were mainly shut on Sunday and Monday due to an entry system failure and the state of the toilets was awful. The Christmas trees were not collected from the car park until May. A black car with loud exhaust goes through the village at least twice a day making excessive exhaust noise. Can people be stopped from putting up notices on any available post or telegraph pole. The Harbour is beginning to look a mess. Thanked Cllrs Jarvis and Rodda for their contribution to the Parish Plan.

A member enquired if any further response had been received from Cornwall Council re New Road. Rubbish in plastic sacks should be put out as late as possible to minimise the risk of them being opened and ransacked by seagulls. Recycling bags should be brought back in promptly after collection.

A member outlined their plan for a music and beer festival for the first week of October in the Car Park.
