04.07 Small works around the village

Cllr Dawson had considered recommending to the council that it should take on a person to do small works around the village, however after careful thought he believes the council should consider setting aside some budget for this type of work, and perhaps have a list of approved contractors who can be called upon. The clerk will look in to any available grant funding for such work.

04.08 Finance

Accounts for year ending March 2012

The clerk confirmed the end of year accounts were with the internal auditor. The clerk in submitting the end of year tax return identified a discrepancy with the National Insurance code letter for himself. The result of which is the Clerk owes HMRC approximately £100 and the Council owes them approx. £224.
