Nothing raised

16.06 Items from previous meeting

Highway Issues – No response had at time of meeting been received from Cornwall Council regarding the highway proposals put forward by the Parish Council, considering it was sent to the key portfolio holders it indicates apathy on the part of Cornwall Council.

Public Convenience/Car Park – A meeting has been arranged to meet with The Boscastle Chamber of Trade and Commerce to discuss a common way forward on 27th February.

Parish Plan – Cllr Jarvis reported that the committees original decision to distribute the questionnaire and gather feedback from the local resident community is being questioned. The distribution missed second home owners and some members of the community. The Committee is progressing the way forward to cover this aspect.

The Parish Plan Committee is keen to have independent analysis of the feedback which will cost but provide unbiased results.

Activity Equipment – Cllr Chater reported that he had chased the funding source and been told it could be a 3-5month wait for a decision. Clerk to check with NT location of the equipment.

Stone Welcome Sign – Nothing to report.
