Nothing raised by the public all here to express their views on the next agenda item.

08.04 Highways – to hear the views and ideas of residents and property owners in New Road for traffic calming between Valley View to Forrabury Hill.

The council had received emails from 3 residents/owners outlining their views on the proposals of the Parish Council and Cornwall Council.

Mr Yeoman gave the clerk a paper copy of his views after outlining them to the meeting.

The items raised during the discussion were:

- Change signs from 'overhanging buildings' to 'overhanging roofs'.
- Reduce speed to 25mph
- New sign with HGV symbol in triangle to reinforce overhanging roofs.
- Add new sign at south end 'Give way to oncoming vehicles'
- Maintain existing parking arrangement and install bollards to protect properties.
- Yellow box scheme, to prevent a long line of parked vehicles which causes safety issues
- Using rumble strips or anything larger would impact on the building in terms of vibration as property floor joist are set into the road.
- Priority to traffic going up the hill
- Install small narrow raised pavement
- The existing drainage gully alongside the buildings is dangerous for pedestrians and encourages vehicles close to the properties.
- Rain water drainage
- The overhanging trees and shrubs need regular cutting back up to 3m back from the road.
- Leaf mould etc. blocks the drains.

Cllr Brown proposed a site meeting with himself and a highways officer to put the above suggestions forward.

08.09 Planning - None

With no further business the Chairman closed the meeting at 8.00pm.

Date of next monthly meeting Thursday 11th September 2014
